

**Parker Laboratories Bids Farewell
to a Member of Our Family**

Parker Laboratories mourns the loss of Steve Keller, our Southern Regional Sales Manager who passed away suddenly on October 15th. Mr. Keller, had been with Parker for fifteen years and will be greatly missed by all who knew him. His good natured, upbeat personality made it easy for his co-workers and business associates in the medical ultrasound community to like him. The entire staff at Parker extends heartfelt condolences to his wife, Vicki, and their three children.
