

PARKER LABORATORIES IS THE SEMI-FINALIST OF THE 19TH ANNUAL NEW JERSEY FAMILY BUSINESS OF THE YEAR AWARD

Parker Laboratories has been selected by the Rothman Institute of Entrepreneurial Studies at Fairleigh Dickinson University's Silberman College of Business as the semi-finalist in the 2011 New Jersey Family Business of the year award. This award was selected by the Institute and other corporate sponsors who select the finest family businesses in the state, recognizing them for their history, community outreach efforts and other selective criteria.

Rothman Institute is recognized as one of the top 20 Business schools in the nation. The mission of the Institute is to teach and support entrepreneurship and innovation in the academic, business and nonprofit communities.

For over fifty years, Parker Laboratories has been consistently positioned at the forefront of technological advances that characterize the ultrasound and electromedical industries. Parker's flagship product, Aquasonic® 100 Ultrasound Transmission Gel, is the World Standard for medical ultrasound.
